

Tory Corruption and Incompetence

[\(3\) Post | LinkedIn](#)

[Andy Burge EUGB 🇺🇦 on Twitter: "Here's the list of discredited and dishonourable MPs an Peers who tried to undermine the work of the Privileges Committee by personally attacking and abusing its members. The bribe they were given by Johnson is next to their name. A perfect example of #ToryCorruption https://t.co/nrOoBjM57X" / Twitter](#)

[BladeoftheSun on Twitter: "Jacob Rees-Mogg had almost all his money in Russian Gas giant Gazprom before they invaded Ukraine. One of the reasons Sanctions on Russians were delayed was so he and other high ranking Conservatives could safely get their money out. https://t.co/u0mDXwnzOg" / Twitter](#)

[BladeoftheSun on Twitter: "Matt Hancock gave a PPE contract to his sisters company which he owned 20% of. Then denied it when confronted and covered up the evidence. In total he has been personally involved in more than £600,000,000 of PPE fraud. Arrest him, NOW. https://t.co/7QI2iKZQBK" / Twitter](#)

[BladeoftheSun on Twitter: "Suella Braverman used £25k of expenses to pay her parents Energy Bills for 5 years when she occasionally stayed there rent free. Hates criminal gangs, but runs the biggest one. https://t.co/x9fApJJOMT" / Twitter](#)

[Britain People on Twitter: "🇬🇧 RISHI SUNAK: FRAUD 🇬🇧 Seriously questioning whether it is INCOMPETENCE or CRIMINAL activity within this Tory government. What do YOU think? 🗨️ RETWEET to discuss. https://t.co/xgwgX03NMV" / Twitter](#)

[Britain People on Twitter: "🇬🇧 RISHI SUNAK: "Test and Trace" "The money the Tories spaffed on Test & Trace would have paid for a 15% rise for EVERY NHS worker from now until 2058. They took that money and gave it to their pals." - @BeckettUnite https://t.co/metIEOPYp4" / Twitter](#)

[Dr Jan Rosenow](#)

[European Unity #FBPE EUUA#Johnson'sOut #Rejoin on Twitter: "I don't know which, if any, of the rumours are true as to why Boris Johnson made Charlotte Owen the youngest ever life peer But I do know she doesn't deserve it and the truth will come out eventually #JohnsonCorruptToTheCore https://t.co/7wyDbvDU7N" / Twitter](#)

[Feargal Sharkey on Twitter: "It will be the most important 3 minutes and 20 seconds you spend today. 🖱️" / Twitter](#)

[Feargal Sharkey on Twitter: "Not only is Cathryn Ross currently the acting CEO of @thameswater she also is the very same Cathryn Ross who personally signed TW's operating licence when she was CEO of @Ofwat the water industry regulator. It all goes around. https://t.co/njdcaiv4b1" / Twitter](#)

[Good Morning Britain on Twitter: "Water companies are drawing up plans to increase bills by up to 40% to pay for the cost of tackling the sewage crisis. According to The Times, rises are expected to be announced next year and could mean annual bills increase from an average of around £450, up to £680. https://t.co/rUKXaNX54i" / Twitter](#)

[Joe Oakley 🇬🇧 on Twitter: "Just to put #ThamesWater issue into perspective; Since 1991, it's accrued a debt of £54billion. In the same time, they've paid out £57billion to their shareholders." / Twitter](#)

[kerry 🖱️❤️ Save Our NHS on Twitter: "So let me get my tiny brain around this Thames Water scam Thatchers Tories sold the water They cream billions from us Invest in shareholders, not new systems Somehow have £14bn of debt Then WE bail them out & they walk off into the sunset with us paying for it #BBCBreakfast https://t.co/TqbDpqZzvW" / Twitter](#)

[kerry 🖱️❤️ Save Our NHS on Twitter: "Tories have spent £1.5bn of taxpayer money on legal costs over the illegal Rwanda plan 🤪 This flawed scheme will only take 200 people & year with a clause the U.K. will take asylum seekers from them. The Tories are bleeding us dry to save face #bbclaurak #GeneralElectionNOW https://t.co/5MK8iPw2tz" / Twitter](#)

[openDemocracy on Twitter: "Rishi Sunak admits oil-funded think tank helped write anti-protest laws https://t.co/UMIMV9qVuh" / Twitter](#)

[Peter Jukes on Twitter: "£17.6bn! £3.3 billion of stock was handed over to the UKHSA from Test and Trace but there is no financial record of how it was used... DHSC has had to write off £9.9 billion of PPE, £2.6 billion of COVID-19 medicines, & £1.8 billion of COVID-19 vaccines https://t.co/YcAsQgPB2f" / Twitter](#)

[RS Archer on Twitter: "I have just learnt that on the day it was privatised Thames Water was debt free. It has now run up £14 billion worth of debt by paying](#)

[bonuses to its executives. Why do British people put up with this so often?" / Twitter](#)

[Simon Evans on Twitter: "If it's true that the UK, under PM Rishi Sunak, is dropping its £11.6bn climate finance pledge, it will, among other things, be awkward for... Rishi Sunak, who touted that very same pledge just a few days ago, noting that he had "reconfirmed" it at COP27 last year https://t.co/K2jH4yoJ7e" / Twitter](#)

[Simon Evans on Twitter: "In 2022, the number of government-funded energy efficiency measures installed in UK homes DROPPED BY HALF year-on-year, to 97% below 2012 levels. During a global energy crisis. https://t.co/58tcYRq1Hc" / Twitter](#)
